

Freelance Hair & Beauty Federation

COLLEGE PRESENTATION

As the FHBF is the industry authority for the freelance sector we are able to give sound advice relating to the day to day working life of the freelance/mobile operator.

The FHBF College Presentation is designed to give students an overview of what life is like when working self-employed including what to consider when setting up a freelance/mobile business.

It is relevant to students in hairdressing, beauty therapy and complementary therapy and offers the following:

Help for Tutors

The FHBF recognises the problems tutors may have with students anticipating working freelance as soon as they have completed their college course. Our presentation gives tutors support when advising students to gain valuable work experience, and discouraging them from going it alone too soon!

Help for Students

The Presentation includes how to;

- Set up and market your business
- Understand simple book keeping and tax liability
- Retail effectively
- Be seen as a serious business
